MONEY GUARDIANS

Paper Mâché

Make a paper mâché of the world

Ages 10-15

INSTRUCTIONS:

1. Make the paste like glue.

Mix one-part flour with one part of water (e.g., 1 cup flour and 1 cup water, or 1/2 cup flour and 1/2 cup water) until you get a thick glue-like consistency. Add a bit more water if it's too thick. Mix well with a spoon to get rid of all the lumps

2. Cut the newspaper/magazine/paper up.

3. Blow the balloon up – (make your balloon big enough to paint the different countries of the world).

What you will need

- Balloons
- Flour
- Water
- Newspaper/magazines/paper
- Paint

4. Coat the balloon with paste and cut up strips until you have covered it with a thick layer. Let the balloon dry.
5. Once balloon has dried completely paint the paper mâché balloon like the earth.
