DID YOU GET YOUR PIECE OF THE PIE?

Te Rūnanga o Ngāi Tahu contributed over \$5.5 million to Whai Rawa accounts for Matched Savings and Annual Distributions in March 2019. That's ka rawe!

Te Rūnanga o Ngāi Tahu supports the kaupapa of Whai Rawa with Annual Distributions and Matched Savings and if you are not saving or not a member, you missed out on your portion. We don't want your whānau miss out!

Distributions this year saw adult members (who were members in 2018) receive \$125* into their Whai Rawa accounts and Tamariki received \$125* plus a bonus \$45* into their accounts!

* Te Rūnanga matched savings and distributions are available to all members under 65 years of age and are subject to RSCT (retirement scheme contribution tax) deducted at your personal RSCT rate (see the Other Material Information document at www.whairawa.com). Payments are made no later than 31 March in the calendar year.

NEWBORN DISTRIBUTIONS

Whai Rawa also has a Newborn Distribution. If you signed up your pēpi to Whai Rawa during the previous calendar year and before they turned one, their account will receive \$100* in March the year following.

Opening a Whai Rawa account for your pēpi can help teach them good money management from an early age, setting them up with the right skills as they get older.

See more on our website <https://whairawa.com/how-it-works/newborn/>

REMEMBER TO SAVE REGULARLY TO ACHIEVE YOUR MATCHED SAVINGS!

It is mid-year already, have you started saving to hit your targets? Don't forget a little can turn into a lot!

How Matched Savings works: for every \$1 adult members aged 16-64 save in the calendar year, Te Rūnanga will contribute another \$1 (up to a maximum of \$200* per year). For child members (under 16 years old as at 31 December), Te Rūnanga will contribute \$4 for every \$1 saved (up to a maximum of \$200* per year).

SO MANY BENEFITS TO BEING A WHAI RAWA MEMBER!

If someone in your whānau is missing out, tell them! They can join any time online and get the benefits that Whai Rawa offer. See the back page for the joining details. A replacement PDS for the Whai Rawa Unit Trust was lodged on the scheme's offer register on 28 September 2018, a copy of which is available at www.whairawa.com/pds/.

* Te Rūnanga matched savings and distributions are available to all members under 65 years of age and are subject to RSCT (retirement scheme contribution tax) deducted at your personal RSCT rate (see the Other Material Information document at www.whairawa.com). Payments are made no later than 31 March in the calendar year.

NGĀI TAHU ROAD SHOWS 2019

Te Rūnanga o Ngāi Tahu are excited to be bringing back road shows in 2019! If you or your whānau live outside the takiwā then we hope you will be able to join us for one of the 11 Road shows to be hosted throughout the North Island and Australia.

We welcome this opportunity to connect with you in person, share our latest news, and let you know about all the opportunities on offer.

This year's theme is Ka Tū Te Tītī. The tītī (muttonbird) migrates across the globe but always returns to gather on the southernmost islands of Te Waipounamu (the South Island). Like the tītī, you too will be forever connected with your iwi and your home – no matter where in the world you happen to be.

INVESTMENT UPDATES

Have you read one of our Investment updates? We now have regular Investment Commentaries on our website updating you on what the markets are doing, as well as how this affects the Whai Rawa fund. Our new commentary for the first quarter of 2019 is up now.

Global financial markets continued the positive trend over April as share markets maintained their momentum from the last few months. Despite fears of slowing economic growth, both Developed and Emerging Markets returned positive results. The New Zealand share market had a slower month than its global counterparts, but still posted a positive return of +1.7%.

Quarter 1 for 2019 saw one of the strongest first quarters in history which more than offset the downturn we experienced in Q4. This resulted in a pre-tax return (annualised) at 14.06% for the quarter. The strong performance was welcomed and just in time to close off the Whai Rawa Unit Trust financial accounts which will be presented to Whai Rawa Board for approval, shortly.
